

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF GREEN RIVER)	
VALLEY WATER DISTRICT TO INCREASE)	CASE NO. 10245
NON-RECURRING CHARGES)	

O R D E R

On May 4, 1988, Green River Valley Water District ("Green River") filed an application for an increase in its tap fee for a 5/8 x 3/4 inch meter, a 1 inch meter, a 2 inch meter, and a 3 inch meter to become effective June 1, 1988. On May 26, 1988, the Commission ordered that this proposed increase be suspended until November 1, 1988. By letter dated May 18, 1988, the Commission requested that Green River provide proof of publication of notice. On May 27, 1988, Green River complied with this request.

Green River has filed exhibits with the Commission which itemize the expenses involved in providing a metered service connection. A review of these exhibits shows that the proposed tap fees are equal to the expenses of establishing a metered connection and that the individual expenses are reasonable.

The Commission, having considered the evidence and being advised, is of the opinion and finds that:

1. Green River should be granted an increase in its tap fee for a 5/8 x 3/4 inch meter, a 1 inch meter, a 2 inch meter, and a 3 inch meter to the rates set out in Appendix A

2. Green River should file within 30 days from the date of this Order its revised tariff sheets setting out the charges approved herein.

SO BE IT ORDERED.

Done at Frankfort, Kentucky, this 14th day of June, 1988.
